PRINCIPAL'S MESSAGE

"School Spirit" is more than the cheering at athletic contests. It is more than the desire on the part of the students to see their team win.

There are several criteria of "School Spirit": the manner in which the students accept and carry out the school rules and regulations; the effort put forth by the students in their studies; the number of students participating in extracurricular activities and the leadership shown; finally, the desire on the part of all students to become good citizens.

Truly, "School Spirit" is judged on all phases of school activity. The Principal congratulates the students on their fine "School Spirit".

"Read maketh a full man, conference a ready man, and writing an exact man." *Francis Bacon*

The Kencoll staff is proud to have had a part in compiling this twenty-second volume of the Kencoll. The many and varied phases of education in our school which have been reported have taught us the arts of writing, composing and editing.

As you receive your magazine, we hope you will enjoy the beautiful photograph of your school in natural colour on the cover. The Kencoll staff knows, from experience, that as soon as your copy is received, you will search excitedly for your own picture and class news, and then in a more leisurely fashion look for items and news about your friends. For this reason, in this issue, pictures have been enlarged and more class news presented.

To Mr. Walter, who took over the responsibility of supervising the Kencoll in 1950, and who has been its sponsor since that time, the entire Kencoll staff extends its sincere gratitude. To Mr. Davidson, who aided the Ad and Sales staff, and to Mr. Durrant, who supervised the photography, the Kencoll staff is also deeply grateful. The co-operation of the secretarial staff of the school office is also very much appreciated, as is the work of the students who volunteered for the time-consuming job of typing.

While our magazine has been improved and enlarged over the years, the cost of production has also kept pace, and may be said to have risen by leaps and bounds. If it were not for the enterprising business manager and salesmen, under Mr. Davidson's guidance, it is doubtful whether the school could continue to produce the Kencoll. However, our salesmen have had a great deal of fun in collecting the necessary ads, and are happy to have had the experience to add to their business training.

The financial support necessary to print the magazine this year was secured as follows: one-third of the amount needed was received from Forum fees, and the other two-thirds secured by ad sales, donations, and a noon-hour dance with disc-jockey Ron Knowles. In thanking the individuals and business establishments who have so kindly purchased advertising space, it is the hope of the Kencoll staff that the students will patronize their companies whenever possible.

In conclusion, we would like to thank the students, who, through academic achievement, sports and other extra-curricular activities and services to their school, have made the news that went into the Kencoll.

The Kencoll staff of 1961 extends it's best wishes to the staff of 1962.

EDITOR'S NOTE

This editorial was written this year by the assistant editor for several reasons. The first is simply the fact that I did not feel capable of the task, myself. The second is that in my opinion, Marilyn Carley has done as much work as any two editors and deserves the honour of writing the editorial. There are many other reasons but I will not trouble you with them. I just want to point out that this KENCOLL is different than all its ancestors. We hope you like the changes and we want to thank the student body and the teaching staff for their moral support and financial assistance.

We would like to thank all those who sent us their yearbooks and we hope to exchange with these schools again in future years.

MR. R. R. DEAGLE

ROSS R. DEAGLE

At the end of June, 1960, R. R. Deagle closed his teaching days at Kennedy, after seeing the school develop from its beginning. He was one to help shape its tradition as a school of academic and athletic progress and prowess. For many years he served the school body as the treasurer of the forum. But he was no more meticulous in the care of the forum funds than he was in his pedagogical performance. He took pride in doing all his work perfectly.

Throughout his career he won the respect of his students and of his fellow teachers. He was not one to promote his own position, but he commanded the respect of all by his practice of thoroughness and his congenial disposition.

When he bade his last good-by to Kennedy, in his own whimsical way, no one thought that his days of activity were to be so numbered. After a few months of sickness he passed away in Metropolitan Hospital on December 1, 1960.

The Kennedy staff and student body mourn his passing.

CAREERS IN BUSINESS...

High School graduates frequently decide upon a business position as their best career choice

Where should a graduate go to obtain the best possible training to fit him or her for a top business position?

Train in the school that, since 1903, has specialized in business education. Don't be satisfied with less than the best.

TRAIN IN THE SCHOOL THAT WILL DO THE MOST FOR YOU!

THE CLASS OF 9G

by
Carolyn Little

We are the class of 9G,
The teachers say our class shouldn't be.
Just before nine—a minute or two,
We all troop in, our homework we do.
Each morning at the stroke of nine,
We find in our midst many a kind.

While Noreen struggles along with geography,
Pat is madly in love with photography.
In our class there is a talker—Marilyn Brown is ours
And Sharon Coates is forever bragging about her powers.
Faith excels in the swimming class,
And Peter struggles to get just a pass.

Pat and Steve are both Camera fiends,
But Cheryl and Audrey are alike by no means.
Tom, Robert, and Bruce are our moral supporters,
While Lannie and Ronni are our two reporters.
But of all these our very best feature,
Is Mr. Laframboise, our home room teacher.

WHAT WOULD 9H DO IF:

Barb lost her passionate crush on Randy.
Cheryl refused to lend money to her desperate friends.
Sharon got very angry at Evelyn for a change.
Eliana ceased to bat her eyelashes at Mr. Battagello during History Class.
Lovesick Adale could ever put Steve out of her mind.
Ed, the flirt, stopped chasing Eliana between classes.
Pat F. put an end to persuing G. P. and J. M.
Peter became a teacher like his brother Mr. Gretes. WOW!
Joe overcame his schoolboy crush on Wanda.
Valerie would by chance become talkative.
Steve gained perfection in French
Pat M. wasn't in such a daze over Mr. Battagello.
Jerry didn't giggle quite so persistently in every class.
Susan turned up her nose at her chum Lorraine.
Gerald wasn't so mysteriously quiet.
Lorraine didn't make eyes at Mr. Pazur.
Cathy wasn't so nervous in French.
Gavi became shy. What a change that would be!
Wanda refused to fuss with her dishwater blonde hair.
Ruth disliked Mr. Davidson and refused to do Algebra.
John didn't continue to make queer noises.
Jennifer would have come at the first of the year.

10D CLASS NEWS

by
Tom Ostrander, 10D

When Mr. Ward walks into class,
Everyone moves very fast
To get their homework out of sight
Or they'll be in for sure that night;
Jimmy at his Latin book
Is very scared that he might look,
And Ed Dupuis sitting back there
Well, he just doesn't care.
About homework Dave doesn't worry
But everyone else is in such a hurry;
Always doing his French, Marty we find,
(seems to think Mr. Ward is so blind).
When the bell rings at nine o'clock
Down to business he makes us drop;
Latin to some is such a drag,
That behind a few of us lag.
Then down to English,
And famous Shakespeare,
Where Brian M. is always
In trouble, I hear.
All the way up to French we troop
Just to be sent on another short loop;
Down to the office and back
An excuse slip we don't lack
Mr. Hyland is our science teacher
But everyone thinks he's a hockey preacher.
He tells us about his old hockey team
And how they were always on top of the beam.
Then comes Math with Mr. Christie,
Him and his questions seem pretty misty
To Victor Wells, who thinks they make
As much sense as a bunch of bells.
To round out our day comes Mr. Walter (s)
In this class George always falters.
I haven't mentioned this before
But in our class the boys are twenty-four
With two little girls to round it out
We are the best we loudly shout.

So far this year our class has donated money to the Goodfellows of Windsor and the UNICEF Organization.

Before the Christmas holidays we rented Riverside Arena for an hour and played hockey. This turned out very successful. We also had a skating party and this also turned out successfully.

CLASS NEWS

Our class 10E consists of about 38 nice, co-operative but minus knowledge students. Seriously, we have a very fine class. Mr. Walter is our home-room teacher. He has the great opportunity of seeing us all first thing every morning. Mr. Walter is a very excellent teacher and he is trying to pass us all in one year. Our class has had several parties, but not much support was given in the first few. There are two students supporting Kennedy's basketball teams. One is on the girls' team and the other on the senior boys'. All of us are certainly trying to pass grade 10 in one year, for a few it's their second try.

11C PARTY LINE

by
Marg Smith and Dee Dee Roe

It's Activity Night once again and 11C is all present.

Bang! From the rifle range ran Shirley screaming, "I shot Mr. Lee." Going to investigate, we saw Jeannie kneeling beside the body weeping, "You cheated, you lied." Don Harper strolled disgustedly away from the scene mumbling to himself, "lipstick on his collar." In the midst of all the confusion Frankie had a brainstorm, "To the pool—let's have a party."

When we arrived at the pool there was good old Tom, as usual, supervising the group and yelling "walk, don't run." When Eric recovered from his suicide attempt he whispered "I was a big man yesterday but boy you ought to see me now." Jim Brown and Saundra walking in their usual daze, suddenly found themselves gurgling to each other, "We go together."

Splish, Splash! Into the water tripped Carol Deans while Jerry stood back and laughed but, "that's the way of a clown."

Everything in an uproar, in puffed Drew, not noticing the "no smoking" sign (supposedly). Little did he realize that before the night was over he would be singing "Jailhouse Rock" while Sandra waved furiously "I'll see you in September." Behind him was Suzy, "like long hair," with Jenny and Diana jabbering away in "baby talk."

When we all left, "Beep, Beep" Joy Love and the gang drove up the middle hall in their "big green car." While we waited to get into the dance, Steve was dreaming of his "image of a girl."

At the dance, in a dimly-lit corner, Don could be seen whispering to Carol that she was his "wonderland by *Knight*." Frank Ouellette was seen arguing with Mr. Lougheed, trying to convince him with the following "I'm a man!" but his attempts were fruitless. At the same time Diane was being neatly escorted from the dance by Mr. Monger mouthing her fervent plea "Don't be cruel." As Dave made a pass at Mary he tried to convince her that "it's all in the game."

Much to our surprise, Bill walked in with Sharon perched on top of him singing "got an angel on my shoulder." Afterwards, Rosalyn and Jim bounced into the crowded gym like a "rubber ball" and noticing Cynthia standing on the outskirts yelled "Let the little girl dance." "Hi hi Bob" shreiked Michelle gallopping on the dance floor to the strain of "Pony Time." The general mood of joviality came momentarily to a halt as Dee Dee stormed out tearfully weeping "Boys!" as Tim mumbled "This I swear (censored)." Shortly after this the people left two by two and our party came to an end.

When we asked Margie how she got her information she said: "Simple, I've got a Party-line."

CLASS OF 11E 60 - 61

Mary Lou is the president of our great class!
And Janie's by far our craziest lass
Tower's of Strength are Danny and Ron
And a wonderful swimmer is our boy John
June thrives on Johnny's fame
And maybe with cameras is Brian a brain
While Roger and Richard are equally quiet
Bill, Bobbie and Graham have a regular riot
Miriame Rosenthal "loves" Ivo's Back
And Mr. Christie can verify that!
Though Orest's homework is never done
Just like George, he has loads of fun
Ralph and Danny have lots of laughs too
But they're both plain crazy in Karen's point of view—
Nancy, Cheryl, Sue and Pauline
Think all our class parties are really keen
And then there's Bob whose simply "car mad"
But Irwin's car knowledge is really quite sad
Then we can't forget Sharron and Lonnie too
For when these are added my poem is almost through,
Except there's one more about which I've to write
Our home-room teacher, a great guy—it's MIKE!
He's a real good Joe, we've put him through the test,
And for his future years we wish him the best!

Oh, we often say in our class 12A
"No playing before our work,"
But who can see how hard this may be,
Without us going berserk?
But we'll not say before the day,
Our exams are written and through,
"We frolicked all year and working did hear,
So now what do we do???"

13A CLASS NEWS

by
Jim Thompson

Last September, a group of individuals were banded together and entitled 13A. By popular vote, the following executive was elected: President—LINDA RICHARDSON, Vice-President—JIM THOMPSON. We attended many parties and outings during the school year. A few of them were—1. tobogganing at River Rouge, Michigan; 2. a grade 13 party at the home of Brian Jacks; 3. a grade 13 "Hard Times" party at the Air Force Club. One of the highlights of the year was the popular annual carolling party.

Our class was well represented on the school sport teams. We contributed D. Struthers, J. Ronson, L. Belanger, D. Leach and B. Tourchin to the football squad; B. Hadley and B. Turner to the basketball team; T. Turchyn and G. Wolf to the soccer squad; and S. Blackshaw to the swimming team. Our girls were more socially and academically inclined.

Here are some startling quotes heard around class:

Sandy Blackshaw "Honest Thomps—I'll pay you that $1.25 some day."
Bob Rideout "Mr. Leonhardt—I don't like——!"
Leo Belanger "But Mr. Christie, won't my method work?"
Carolyn Wells "Guess who's my date for the night?"
Linda Richardson "Man, can my 'Bird' beat those bongos."
Dennis Leach "I'm Mr. Leonhardt's favourite."
Wayne Jessop "Honest Jill, I've never danced with another girl in 6 years."
Jerry Leroy "Hey Bob—we've got a sharp vest on sale for just $7.95."
Bob Turner "Ma Carol, elle a la 'plus'."
Wally W. "No, Patty, I won't go to the K-Hop with you."
Bill Hadley "Kennedy's answer to the Gayety's Virginia Bell."
Jim Thompson "That's all right Sandy, I'll just charge you 25% interest."

In closing, I would like to thank Mr. Hendershot for so EXPERTLY teaching us Geometry.

ARCADIAN FANTASY — 13B

by
Graham Gale

Hence, loathed English class,
Of English books and texts,
In 1-0-4 forlorn.
Find out some uncouth class
Where brooding English spreads its wings
And the voice of Lougheed rings
But come, thou students Vic and Ed,
To Hades called the students doom,
Knowing that some evil lies,
In the cynosure of teachers' eyes.
Through the park o'er grass and plot,
Come the Horde with homework nought,
While the bell, with lively din,
Doth usher them within;
And to the class or office door,
Strut the students, four-score and more.
Bill and Brian are still talking,
While, with her books, Joanne is walking
Through the desks of steel and wood,
'Mongst texts to us no good.
Haste Dave, and with thee come,
Bart, Jim and quiet Carol.
Ron, from vigorous sport deprived,
And George, little Hercules in size,
Come, take English as you go,
On the light fantastic toe.
Come, see Gordon start his fight,
Studying morning, noon and night.
From his desk the teacher calls
To Dennis who, a half-hour stalls,
While Bob and Don and more,
To outside freedom bore.
Gordon walking, not unseen,
By hedgerow elms, on park grass green,
Right against the western gate
Where the great Sun ends his state;
Here Laurie walks with books and texts,
While Peter A., in class, is vexed
As he remains behind the bell
With Mr. Lougheed, keeper of the cell.
Straight mine eye hath caught new pleasure,
Whilst the landscape round it measures,
Russet lawns and hidden ways,
Where students, young and old, might stray;
Towers and battlements it sees,
Bosomed high in tufted trees.
To Larry L., and Richard B.,
An open mind has Mr. Lougheed,
While Tim and Gary, in a few of my classes,
They see him through rose-coloured glasses.
Then let Bev. and Sandra leave our room,
And thus escape an impending doom,
Which will fall with wrath and speed,
But land on none, not even Steve.
While Sharon, Jim and even Pete
Might think our teacher very neat,
Brian and I, we both agree,
That he's out to get both you and me.
Considering all he's quite a guy
With only a good word for you and I.
But even though it's here to stay.
About the subject I'll have to say.
These evils, English Lit, doth give
And I with thee won't choose to live.

13C CLASS NEWS

by
Sue Cakebread

We're 13C of old K.C.I.,
And full of fun right up to the sky
Dave Agnew's the first man on our list—
A boy that's so quiet he's oftentimes missed.
Larry Andrewes is next, our great track star,
To catch him, I'm sure, one needs a car
Blonde Susan Bailey—a great little gal,
Who is so friendly she's everyone's pal.
Wayne Bond who sits at the back of the room,
Watches the clock—he waits only for noon.
Tall Ted Bonder is far from a bore,
He keeps the class in stitches galore
And Sue Cakebread comes in in a dash,
And after school swims with a splash.
Ann Charbonneau, with all her curls
Is one of the most delightful girls;
Then petite Pat Cantin—always with Paul:
It is so cute 'cause he's so tall.
And Marilyn Carley sitting erect
Is wondering what problems next to expect.
Joanne Colautti is quite a joy,
Sitting and dreaming of dear Mr. Roy.
And our Miss Danz, with skirt so short,
You'd almost think it was a skort.
Then Marianne Done, Gary's friend,
Studies and studies without end.
John Gibson spends nearly all of his time
Trying to succeed with the Chemistry rhyme
Paul Holmes is next, who, being late,
Always comes up with quite a debate.
Clarke Hopkins—so everyone says
Is always arguing "à la française."
Sandra Hutson is sometimes shy.
Has a hair-do as cut as pie.
And then there's Jerry, our football star,
Who's always wanting to drive the car.
Bob Lee is next, our musical man,
He strums his guitar as best he can.
With the volleyball, Ken's our bet,
Trying to drive it over the net.
Always with Kathy is faithful Ed Manser
We understand he's quite the dancer.
Cathy is ever with Lou Margolese
Whom she is always trying to please.
And great with the camera is Marv Martyne,
But in the class room with us is a scream.
Jim McCoy, when it comes to French
Always seems to be left on the bench
And then comes blonde little Peggy McKee
Who always seems to be filled with glee!
And Edythe Morris, with her hands on the wheel
Roars away in the sports car with quite a squeal.
Dorothy Nelson is pres. of our class
And with the boys, is quite the lass.
In French, Italo's often-heard voice
Makes full attention a difficult choice.
Mike Patterson, you see, heads the band,
Hitting his drum with a mighty hand.
Ed Phaneuf, at the end of class
Finds his spares just don't last.

Continued on next page

13C—Continued
The girls in the class all give a holler
For Coach Dennis Rangeloff—basketballer.
Heading the cheerleaders, and quite a dish
Is Cathy Remsing—our cartwheel miss.
There's Martha Riggs, pastimes—Dick and cheering
To Western next year her course she is steering.
Todd Romiens is our Basketball lad
And with the girls—does he ever gad?
Ron Shaw comes in from the sticks each day
To Mr. Hyland says, "Going my way?"
Margaret Skingsley, a pert English lass
Has homework done in every class.
Guy Simmons, an all-city football player
When, with Carol, couldn't be gayer.
Jeff Soper is next, the forgetful one,
Always excuses for work not done.
Pam Stannard another English doll
Prefects after lunch in the hall.
Bev Stevenson talks to Marianne Done,
And always hears—"Get off the phone!"
Bruce Taylor studies (?) Zoology—lizzards, and toads
Laughs at us buried under French loads.
And then there's Ann—quite the Trotter
To T.O. on week-ends—you see, Cupid's got her.
Stewart Wolfe may be quite the fellow
With the women, at least, he is so mellow.
And then comes Barb White although last on the list
By us and "Coop" is never missed.
But wait a moment, there's one man left
It's Mr. Hyland—at bowling quite deft.
Thus we've presented our Grade 13 class
Who soon will enter the work field en masse.
And lest we forget what has happened this year,
We've presented in verse form these lines of good cheer.
And if in the future these lines you should see
Just say to yourself "Well, they DID mention me."

"TO THOSE STUDENTS WHO CARE ENOUGH
TO DO THEIR VERY BEST"—

ALTIORA PETO

by
Katie Binder

The members of Altiora Peto have been busy illustrating posters for the different types of school activities. These were distributed throughout the halls to catch the eye of the student body. The Altiora Peto Club consists of 24 regular members ranging from grades 9 up to 13, under the guidance of Mr. Girling. In order to receive a pin at the end of the year, at least 14 hours of work have to be spent on posters, plus regular attendance. A grade nine student must be a member for two years in order to qualify for a pin. Meetings are held every Monday at which posters are assigned. Under the guidance of President Carolyn Wells and Vice-President Edith Pollock, Altiora Peto strives to make this year a successful one.

EDITOR'S NOTE

I would personally like to express my thanks to the Altiora Peto for their assistance. They have given many hours of their time to make posters for the Kencoll and most other school organizations. If we had a contest for "The Club of the Year", my choice would be this very worthwhile group.

CHOIR

PREFECTS

SCHOOL ORCHESTRA

by
Pat Pringle and
Diane Ecclestone

This year Kennedy has two Instrumental Music Classes—grade 9 and grade 10, both under the direction of Mr. Sidney Levine.

As yet, the grade 9 class has not taken part in any programmes. The grade 10 class has played for the Commencement Exercises and the French Assembly. A few grade nines and some senior students, added their talents at both these functions.

The grade 10 band consists of eighteen members, while the grade 9 band is composed of fifteen.

We have enjoyed participating in the various programmes, and we hope to continue in the future.

THE CHOIR — 1960

by
Carol Warner, 13B

Towards the end of the school year, the Kennedy Collegiate Choir, under Mr. Ward's direction, won first place in both its entries in the Windsor Music Festival. We also took part in school assemblies, particularly at Easter, with three selections. This year the choir was featured with two numbers at an Inter-denominational Carol Service at Saint Andrew's Church in December. After three carols in the Christmas assembly, the whole choir welcomed the holidays with a pizza party at Mario's. Since returning to school, we are preparing six pieces for this year's Music Festival, and we hope to be successful again. It is the wish of the choir to thank Mr. Ward sincerely for his hours of endless patience, and for his fine experience and guidance.

DANCE GROUP

by
Edythe Pollock, 12B

The Kennedy Collegiate Dance Group, under the direction of Mrs. Techko, is progressing rapidly. Since we are the only group so formed in the Windsor high schools, our group is constantly in demand for assemblies, variety shows, and special seasonal presentations. At the Christmas Assembly we put on two Israeli dances which were very well received. In the offing are a French minuet, cha-cha, can-can, charleston, and modern dancing to mention a few. Our numbers vary from eight to ten and we are looking forward to coming events with Mrs. Techko's help.

THE JUNIOR RED CROSS CLUB — 1960 - 61

by
Ann Trotter, 13C

At the first meeting of the Junior Red Cross Club in October, the following officers were elected:

President Susan Bailey
Vice-President Arlene Hudson
Secretary Ann Trotter
Treasurer Sharon Case

Since that time the Junior Red Cross Club has probably been the most active club in the school with regard to raising money. This year, in addition to holding several noon-hour dances and selling school ribbons, we embarked on selling blue and gold school buttons which were received by the student body with great enthusiasm. Most of the money we raise is sent to the Canadian Junior Red Cross in Toronto where they use it in varied fields and many countries; the remaining is used to buy some record albums and to provide an Easter Party for the children at the Red Cross School here in our own city. Some of the active members of the Junior Red Cross Club are in charge of the Lost and Found in the school.

All the success of our projects should be credited to the capable guidance of our teacher-sponsor, Mrs. Aitchison, who just seems to know when to light the spark to get us rolling in the right direction.

Every student at Kennedy is a member of the Junior Red Cross Club; won't each and everyone of you take it upon yourself to be an active member next year?

INTER-SCHOOL CHRISTIAN FELLOWSHIP

by
Jim Brown, 11C

The Inter-School Christian Fellowship of 1960-61 was under the Presidency of Jim Brown. The executive consisted of Karen Roberts, Ken Wallace, Bob Durino and Mr. Weir. This year the meetings have been held in room 116. In late January a social was planned. It was a bowling party — a great success — and other parties such as these are being planned for the remaining months. The meetings of this year were based on two studies; one was from the New Testament and the other from the Old Testament. Our special speakers of the year included Bob Gibb (formerly of Kennedy) a missionary, and Mrs. Sitch of Bethel Pentecostal Church.

THE LIBRARY STAFF

by
Wayne Mugford, 11A

Kennedy students have much cause to be proud of their library. The efficient staff offers services each morning, Monday through Friday, from 8:40 to 8:55 a.m., and every afternoon, Monday through Thursday, after 3:30 p.m. Beside stamping out books and mending old and torn ones the girls and I are busy putting books back on the shelves, straightening them, and checking up on people with overdue books. There has been a noticeable change in the library this year. During the summer vacation the library received a much awaited redecoration. The "dewy decimal system" has been applied, instead of the former programme, a great asset to both the staff and students. An expandable "card catalogue" unit has also been added to aid in the selection of books. Many thanks to the two 11E boys who took overdue sheets around to the classes each morning. We especially wish to thank Mrs. May for her excellent professional supervision, as well as Miss Pullen for her able assistance.

THE UNITED NATIONS AND WORLD AFFAIRS CLUB

by
Joan Small, 11A

Our most important achievement of the year was our UNICEF drive. Through your contributions of pennies and nickels, we raised one hundred and twenty-eight dollars.

Fred Biddle was chosen to represent Kennedy Collegiate at the United Nations in New York City. He gave a speech concerning his memorable trip at our United Nations assembly. This assembly was held in conjunction with United Nations Day, celebrated on October 24.

Martha Riggs, our club president, was sent as a representative to the annual United Nations Seminar in London, Ontario.

To the present the "U.N. Club" has been rewarding and the future appears even more promising.

THE CAMERA CLUB

by
Brian Gladwish

The Camera Club this year was very successful. At the first meeting, the officers elected Pat Argent, Brian Gladwish and Jim Preston. We were pleased to have a near-record membership of fiteen girls and thirty boys.

Meetings were held once a week until December. Every member received at least one lesson in darkroom operation. After new Year's the meetings were held bi-monthly. On the agenda were slide shows by Mr. Argent, Mr. Gretes and Mr. Scott; movies by Stephen Lutvak; lectures by Mr. Hartman and Dr. Rosen; and trips to Assumption High and the photo department of the *Windsor Star*. The Club took the portraits at the Sleighbell Prom. Also, new sinks, arborite counter top and decorating were added to the workroom. A new cabinet film drier is under construction for next year.

The year's activities proved to be very interesting and educational. The peace, quiet and darkness of the photolab were a refuge for some after a hard day's work.

LE CERCLE FRANCAIS

by
Carol Warner, 13B and
Yves Calvar, 12B

Early this fall the French Club elected the following executive: President, Yves Calvar; Vice-President, Carol Warner; Treasurer, Dennis Philips; Secretary, Joan Small; Social Chairman, Molly Johnston. In the fall, meetings featured entertainment, refreshments, and group conversation. At special meetings, our guest Mr. Monger presented his own movies—taken in France, Spain and Switzerland. In the fall we also sponsored our annual public speaking contest. As before the results were successful, when Dr. Thibault of Assumption, Mother Evelyne and mother Herman of Corpus Christi were judges. Now we are preparing a French assembly, including: guest speaker, presentation of prizes and a French musical program. The French Club wishes to thank Mr. Allen for his sponsorship and assistance with the group.

FRENCH ASSEMBLY

When we had a French Assembly on February 17, 1961 we never dreamed that we would get a write-up in an Ottawa paper. However, we have made the headlines. The following is a copy of the article which appeared on March 9, 1961 in *Le Droit*, Ottawa, a French language newspaper.

MANIFESTATION FRANCAISE DANS UN COLLEGIATE

En marge de l'intérêt croissant que suscite le français dans nombre de milieux en Ontario, il y a lieu de signaler la séance toute française qui s'est déroulée ces jours-ci au Kennedy Collegiate Institute, une des écoles les plus importantes du genre à Windsor.

Les élèves du cours de français ont présenté un programme musical et culturel devant toute la jeunesse étudiante, quelque 800, selon les rapports. Tout s'est fait en français, présentations et numéros.

Il y a eu une pièce intitulée "Le Révolver," dirigée par un étudiant d'origine française, M. Yves Calvar, mais tous les interprètes étaient des anglophones. Un choeur de garçons a chanté "La Marseillaise"; un orchestre, sous la direction de M. S. Levine, a joué des airs français et tous ont chanté en français, toujours, "O Canada" et "Dieu sauve la reine."

On avait prévu au programme, un visiteur dans la personne du Dr. Fernand Lacasse, qui est vice-président de l'Association canadienne-française d'éducation d'Ontario. Celui-ci a porté brièvement la parole, félicitant les étudiants de leur intérêt et rappelant les progrès et le rayonnement de la culture française dans les milieux de langue anglaise.

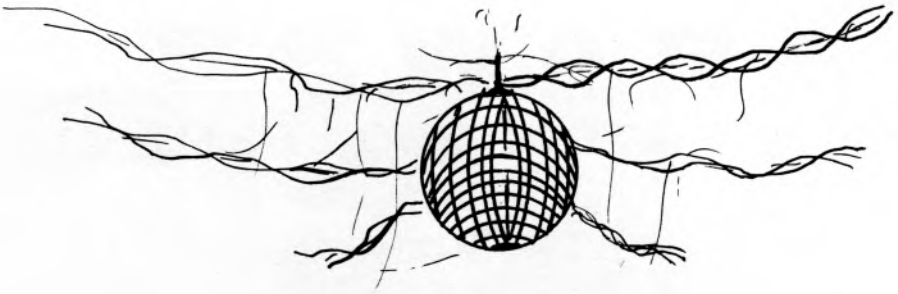

De l'avis du Dr. Lacasse, cette manifestation toute française à l'intérieur d'une école supérieure publique où la très grande majorité des étudiants appartiennent au groupe anglais est en quelque sorte une révélation pour ceux qui entretiennent peu de rapports avec le milieu scolaire anglo-protestant.

SLEIGHBELL PROM

by
Kathy Kelly

The school gymnasium was the sight of the annual Sleighbell Prom on the third of December. Artistic decorations of pale blue and white converted the gym into a Medieval Castle. The refreshment stand was in an old English pub setting while the entrance was a covered bridge to the castle. Linda Richardson was crowned queen by Mr. Thomson and she was escorted by Albert Linnell. The queen's charming court of ladies consisted of Dorothy Nelson, Martha Riggs, Sue Cakebread and Mary Ann Krapek. The dancers enjoyed the music of Bill Richardson's orchestra, and the Social Committee was well rewarded for their effort by the successful turnout.

STARDUST COMMITTEE

by
D. Nelson

During the year this committee worked hard in helping to make the Stardust dances successful. All the dances following the football and basketball games and various other activities were supported enthusiastically by the students and enjoyed by all.

The committee wishes to thank Mr. Bartlet, Mr. Lougheed, Mr. Laframboise and Mr. Davidson for their much appreciated help and guidance.

THE K-HOP

by
Kathy Kelly

Pale blue and white set the pace for our K-Hop. The annual spring round-about dance on March 24th brought out the eligible young ladies and their escorts of the school and those from our neighbouring institutions. Music by Bill Richardson's Orchestra was enjoyed immensely. Again a tremendous job was performed by the Social Committee with "South Pacific" as the theme. Palm leaves and murals of the south sea islands transformed the gymnasium into a colourful fanciful island. Stewart Wolfe and his eager helpers made this into a gala affair and another huge success.

THE ACTIVITY NIGHT

by
Kathy Kelly

Activity Night, during the month of May proved to be greatly enjoyed by the students of the school. Girls and boys frolicked in the school's swimming pool and played games. The girls enjoyed the rifle-shooting and some proved to be better than the fellows. The mixed teams for volleyball and basketball in the gym had their share of fun and laughs, and it was evident the fellows enjoyed having girls on the teams. A Stardust dance followed the athletic activities.

Throughout the evening, fun was had by all and with eager anticipation we look forward to next year's 'Activity Night."

FRESHMEN BEWARE

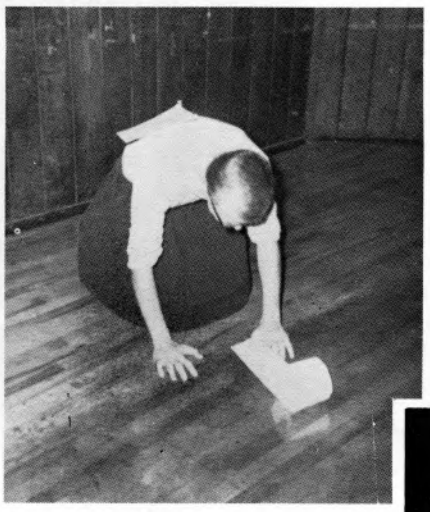

by
SUSAN BAILEY

On September 9th, the freshman class of 1960-61 was officially initiated by the senior students and made a part of our student body. The festivities commenced with a morning assembly, continued throughout the noon-hour with a general initiation in the gymnasium, and were climaxed in the evening by a party and dance hosted by the grade 13 students.

During the assembly, 9C graciously volunteered to model their costumes for the remainder of the school. The girls were clothed in slacks, different shoes, no stockings, their fathers' white shirts, and no makeup, with rags tied in their hair; while their male friends were dressed in short skirts, sweaters, different shoes, no socks and carried their books in shopping bags. All the freshmen wore large signs bearing their names and grades.

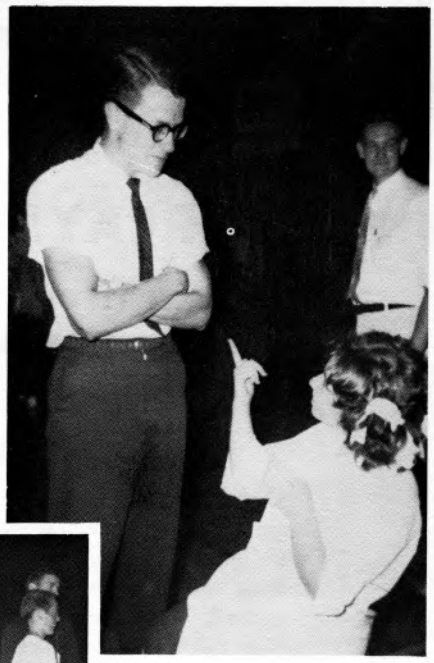

For the first time this year, the "noon-hour ordeals" were conducted in the gymnasium with spectators occupying the gallery. The grade 9 students were expected to perform any task assigned to them whether it be rolling a roll of paper across the floor with their noses or scrubbing the gym floor with a tooth brush. Both freshmen boys and girls proposed to teachers, took part in tricycle races, danced in chorus lines, and pushed peanuts across the floor with their noses. The activities were thoroughly enjoyed by all and as they were all in good fun, there were no hard feelings.

In the evening, the newcomers were guests at a party given by the staff and seniors. Bob Rideout was master of ceremonies and those who were offenders during the day were tried at a Kangaroo Court. They were punished by difficult tasks such as fetching a glass of water seasoned with salt and pepper from Mario's. A cream puff eating contest was also held in which the surprised contestants learned the puffs were really filled with shaving cream. After a humorous skit enacted by the seniors there was dancing and refreshments. Thus, one of the most successful freshmen days in the history of Kennedy came to an end.

GRADUATION

COMMENCEMENT

by
D. Nelson

This year on November nineteenth Kennedy's annual graduation was held. There were forty-five students receiving their Secondary School Graduation Diplomas, one hundred and twenty-seven students graduating from grade twelve and twenty-eight receiving 'seventy-five' club pins. The ceremony was highlighted by the address to the graduates by Rev. C. L. Lewis and the inspiring presentation of the many bursaries and scholarships. After the ceremony the graduates, parents, teachers and friends enjoyed a very pleasant social hour. The commencement this year was indeed very successful.

STRATFORD SHAKESPEAREAN FESTIVAL

by
Dorothy Nelson, 13C

On Tuesday, September 13th a large number of Kennedy students were joined by students from other schools in Windsor to journey to Stratford. We travelled by train, enjoying the trip very much, and once there, were completely thrilled by the beautiful theatre and by Shakespeare's great play, "Romeo and Juliet." It was thoroughly enjoyed by every student and will long be remembered by all of us.

While walking along the street one day recently, Albert met his girl friend. She had her toy chihuahua on a leash. As they were chatting the dog began sniffing at his feet. Suddenly Birdie jumped back.
"Don't worry, Birdie," she laughed, "that little dog won't bite you."
"I knew he wasn't going to bite me. But from the way he had his leg in the air, I thought he might kick me."

That night as they were sitting on the porch, she said: "Isn't that a needle in the tree?"
"Needle? What needle?"
"Just a minute, I'll get it for you," she replied. She then rushed down the steps and tripped over a cow.

"Sit down, son" she said, "I want to tell you a story about the birds and the bees . . ."
She proceeded to describe the facts of life to little Johnny.
When she had finished, Johnny remarked, "Well, I just wondered where I came from. Suzie told me she came from Toronto."

How to talk like a car stylist

Bill Weaver learns the lingo of the car stylists—you can, too! And next time you're talking about the 1961 cars, you'll really sound "tuned in!"

"We believe in poise," our stylists told Bill Weaver, and you can see it for yourself in every 1961 car from Chrysler Corporation. Read a line down any one of these cars and you'll see a fleet sweep from header to deck lid.

These hot looks work for a living, too. With new, one-piece Unibody Construction, there's plenty of stretch-out-and-relax room inside, under the belt line and up in the greenhouse. And there's no dogleg in the windshield post to bang your knees on, either.

Want to get a first-hand reading of these four-wheeled jewels? Ask Dad to stop in at the dealer's with you, real soon, and take a turn in the cars that drive as fleet as they look. As the car stylists say, they're hot!

Here's a translation of some of the lingo car stylists use

RCAC CADETS

TO THE OFFICERS AND OTHER RANKS OF THE 1670 KENNEDY COLLEGIATE CADET CORPS:

Our inspection this year marked many events unprecedented in the history of the K.C.I. Cadet Corps. The officers were clad in blue patrol jackets, MacGregor tartan kilts, white spats, and belts. The Girls' Auxiliary furnished a smart supplement to our fine battalion. Also, this year saw our Cadet Corps' first evening inspection. It is always very gratifying to be the first in any achievement; for this reason I am sure that in the years to come we shall reflect with pride in the knowledge that we were part of these transititions.

To those of you who feel that military training at the high school level is non-essential, I should like to point out that the principal importance of cadet training, in times of peace, is not solely that of producing trained soldiers, but rather that of developing good citizens. The discipline and self-reliance instilled in the individuals by the cadet programme will prove invaluable in helping him achieve the proper prospectives and sense of values, so essential to the society of our country.

In conclusion, I would like to thank all of you for your splendid co-operation and only ask that the same support and "esprit de corps" be afforded my successor.

Cdt./Lt.-Col. B. RIDEOUT,
Officer Commanding,
Kennedy Collegiate Cadet Corps,
1961.

EDITOR'S NOTE

Bob Rideout has an interesting record of military training. He came to Kennedy in 1956 and was interested in cadets immediately. He took N.C.O. training and in grade ten, became a sergeant. During the summer of 1958 he paraded at Wolseley Barracks in London, Ontario with the Essex and Kent Scottish. The following year he took the Junior N.C.O. course at the same place and was made a Major on his return to the school. Last summer Bob attended the National Cadet Camp at Banff, Alberta and brought honour to Kennedy by winning the La Pointe Trophy, for best cadet in Canada. When he returned to Windsor he was promoted to the rank of 2/Lt. in the Essex and Kent Scottish. He now holds this position as well as being C.O. of the 1670 Kennedy Collegiate Cadet Corps.

KENNEDY CADET CORPS GIRLS' AUXILIARY

by
Carolyn Wells

This year Kennedy Collegiate is very proud of its girl cadets. For the first time in Windsor from 50-60 girls will be on parade with the boys in May, at our annual Cadet Inspection. The girls will wear the Glengary cap, with McGregor plaid kilts, and white blazers over a white blouse, which we hope will look very smart.

Since November the Girls' Auxiliary has busied itself by sewing the badges on over 400 of the boys' uniforms, taking care of Corps administration and drilling every week. The girls are very anxious to learn, and to look as smart on parade as the boys have in previous years. The Corps has been working under the careful guidance of the Cadet Corps Chief Instructor, Mr. Bartlett, who has spent time and energy in making the Girls' Auxiliary a success, and to whom we owe many thanks. We also owe our thanks to Cadet Majors Bob Rideout and Jim Carter, and to all other cadets who helped us in our drill; and especially to Mrs. Semegen who spent time planning and helping us to make our uniforms.

I sincerely hope that the Kennedy Cadet Corps Girls' Auxiliary will be a success and a challenge to the other collegiates in Windsor.

CADET BANQUET

by
Kathy Kelly

The twenty-eighth of April was the date for Kennedy's Cadet Banquet. The library was artistically decorated with streamers and McGregor tartan plaid on which military trophies accumulated over the years were displayed. This dinner was attended by all officers of the corps who had graduated from the officers' and N.C.O.'s course. The head table consisted of the principal, vice-principal, chief instructor, the liaison officer from the regiment, and Cadet Lt.-Col. with his lady. The Girl's Auxiliary attended the dinner wearing their trim uniforms of McGregor tartan skirts and blue and white blazers. After the dinner, films were shown and this was followed by a lovely dance. The celebration was as enjoyable and colourful this year as was anticipated by all.

BUGLE BAND

by
Mike Patterson, 12D

The bugle band of last year had the honour of being invited by Brigadier Clift to perform at the Wolseley Barracks Band Tattoo in London. We arrived on a Friday night and returned the next day. Our overnight stay in the barracks gave us all a small taste of what Army life is really like. Last year's officers were Drum Sergeant Bob MacKenzie, Bugle Sergeant Earl Sisson, and Drum Major Mike Patterson.

Training for this year's new members has been in full swing since October. Also, eight new snare drums have been purchased. With these assets the band promises to give a good showing again this year.

CADET INSPECTION

"A spectacle of mingling colour seldom seen in Windsor stretched the full length of the field . . . "

"Few, if any, cadet corps can touch the Kennedy unit for versatility . . . "

"Many months of painstaking practice were culminated Thursday night when the Kennedy Collegiate Cadet Corps put on one of their best shows in years."

These excerpts were taken from the *Windsor Star* on Friday, May 5, the day following one of the finest Cadet Inspections Windsor has ever seen.

The Star, understandably, has used a rather restrained tone, knowing full well that hundreds of other Windsor students, less fortunate in the Collegiate each attends, would also read its columns.

What made our Corps' Inspection outstanding? There were many factors. First, and perhaps foremost, was the desire of those on Parade to make this showing the school's best. This was the first time Kennedy Cadets had had an evening inspection, and the stands were to be filled with admiring spectators. This was the first time for a Windsor school since the War years, that girls had been reviewed on Parade. This was the first time that the Corps had been outfitted with the Highland Glengarry, leaving only the Grade 9 boys to be outfitted next year. This was the first time the Officers had been completely outfitted in Highland dress, their tunics and kilts being identical with the dress of the parent unit, the Essex and Kent Scottish Regiment.

Cadets of A Company put on a display of rifle calesthetics that thrilled the stands. The same company proved that they know how to handle and dismantle a Bren Gun, when five, five-man teams, each wearing its own distinctive colour patch, raced one another over and under field obstacles to re-assemble their gun and fire it. The "white" team was declared the winners. Another group from A Company demonstrated attack procedure, and when brought under enemy fire, their casualties were carried off by the First Aid detatchment.

The Precision Platoon is to be commended for their display this year. In spite of the fact that only four of last year's members returned, the platoon gave such a good show that a panel of four officers selected them to win the W. D. Downey Trophy as the best Specialist Display. This was their second year in kilts, but the first time they had been outfitted in "blues" like the Regiment. Giving close competition to the Precision Platoon was the Band. We have learned that we can count on the Band for a smart display of marching and military music.

From the spectators' seats, a Signals display is scarcely eye-catching. However, the Signals Platoon erected their four aerials in very quick time, netted in on a given frequency, and established communication across the field. Through an intricate wiring procedure, the conversation on the monitoring set was relayed over the Public Address system. Lieut. J. K. Chapman, Inspecting Officer from London, questioned the boys carefully on their work, as they set up their #19 sets. It was not surprising to him to find the Cadets knew exactly what they were doing, when told that most of the Platoon had been members of last year's Moyer Cup winning team, and that Kennedy was intent upon winning the trophy a second year.

There is no question about the popularity of the Girls' Auxiliary, nor is there any doubt of the girls' ability to carry out drill as smartly as our boys.

The Auxiliary worked very hard to prepare for the Inspection, and at times, under some discouragement. Material for their skirts was ordered shortly after Christmas, and was expected from Scotland in mid-March. It arrived three weeks prior to parade night. Undaunted, the girls started work, and under the expert assistance of Mrs. Semegan, the skirt-kilts were finished. The red of the kilt, the white of socks and blazers, and the blue glengarry made a colourful appearance as the girls marched by the Reviewing Stand in perfect dressing.

Following the last demonstration, the ranks were formed into "hollow square" formation. The Col. W. Greisinger Trophy for the best company in the March Past was won by the Grade 10's "C" Company, commanded by Cdt/Major John Gibson. The R. J. Service Trophy for the best Platoon in the March Past was won by #2 Platoon, of "A" Company, with Cdt/Lieut. Joe Liburdi commanding.

RIFLE TEAM

Last spring at Cedar Springs, the Intermediate and Junior Teams won two Strathcona championships for Western Ontario Area. Stewart Wolfe, Wally Wyszinski and Dave Moore also won individual prizes in this meet.

In September, 200 boys fired the Youth of the Empire competition with the school average being 53.6%.

In October, the Ontario Rifle Association competition was fired and Kennedy's rifle team earned first place in Ontario with an average of 98.0%. Mr. Adamson came from Toronto to present the O.R.A. Trophy and a pennant to the school and individual crests to Stewart Weber, Jim Ronson, Jim Martin, Jerry Holt, Stewart Wolfe, Peter Daichend, Peter Zajac and Eugene Prokopchuk.

In the Royal Military Club competition, fired in February, twenty boys averaged 97.6, including Jim Martin's perfect 100.

Thirty boys fired 72 targets in the D.C.R.A. competition in January and February. The 1st team averaged 97.2 with Jerry Holt averaging 98.8 on the three targets.

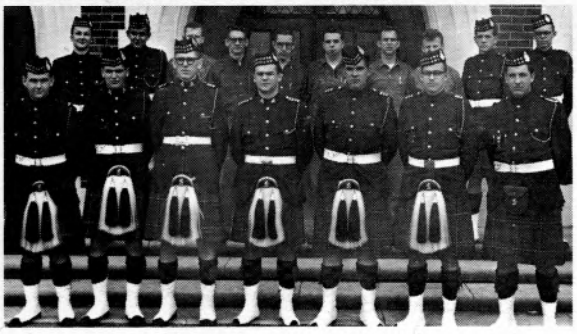

Results as to team standing in the latter two competitions have not been announced at this time.

The team stood second in the Sportsmen's Club Junior Rifle championship, losing to Lowe Vocational by less than 1%. Stewart Weber topped all firers in this competition with a 99.

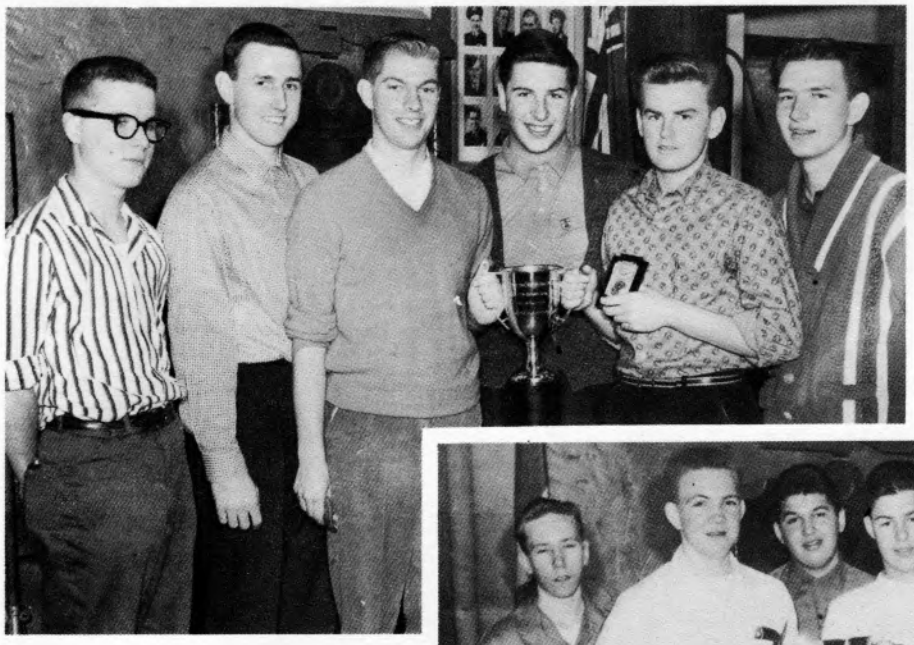

It was announced in March that Eugene Prokopchuk had helped win the Buell Trophy for Kennedy at last summer's camp at Camp Borden.

The team is returning to Cedar Springs soon to defend their Strathcona championship.

The coaches would like to congratulate the winners and thank the boys for their enthusiasm. May all of them continue to be "straight shooters."

Traditions *that live*

Strong and honourable traditions provide the foundation of firm training in leadership expressed today in the motto of the three Canadian Services Colleges: Truth-Duty-Valour. Allied to the prestige of the past is a university degree education given by these colleges to the officer-cadets of Canada's armed forces. Carefully selected high school graduates are trained for challenging professional careers as officers in the Navy, Army or Air force, for the responsibility of holding the Queen's Commission.

to serve the Future

Through the Regular Officer Training Plan (ROTP) the Department of National Defence will sponsor a limited number of qualified high school graduates to obtain a university degree education, either at the Canadian Services Colleges or at designated Canadian universities. Full details of this sponsored education can be obtained without obligation from your nearest Armed Forces Recruiting Centre, or by mailing this coupon now.

'Closing date for candidates applying for 1961 fall classes is 1 July 1961'.

W.S.S.A. FOOTBALL CHAMPIONS

by
Guy Simmons

After an absence of one year the W.S.S.A. football championship has been returned to Kennedy by a hard-working, well-coached team.

The Clippers emerged from the regular season defeating every team they met. However, in the semi-finals they were challenged by a very determined Patterson squad. In the first few minutes of the game, Kennedy was losing by a 14-0 score. It did not look too good for the team, but we also were a determined team and after a few words of encouragement at half-time by our coaches, we came back and won the game 21-14. Emerging into the finals to meet Assumption, we had two factors against us. We had not met Assumption during regular season play, and they were unknown to us competitively, plus the fact that we lost to them 45-0 in the championship game of the previous season. This last factor probably was the incentive we needed to play our best. Everyone on the team wanted to avenge Assumption for that humiliating loss. We went out on the field set on blocking and tackling harder than ever before. As the game progressed, Assumption seemed to fall apart and we won the hard-fought game 15-6 for the W.S.S.A. Championship.

Many thanks to Mr. Battagello and Mr. Arnott for their hard and patient work, which all the players appreciated most sincerely.

W.S.S.A. CROSS-COUNTRY CHAMPIONS

by
Larry Andrewes

For the 15th consecutive year our school has won the W.S.S.A. Cross-Country Championship. This year's race was very close between Commerce and our team. Commerce had 24½ points while Kennedy had 22½.

The week following the City run we journeyed to London to defend our W.O.S.S.A. title. Some of the boys came down with stomach cramps and we placed a dismal fourth. Some of the members on the team are: Bill Korosy, Mike Mohoney, Ron Wilson, David Seaton, Joseph Liburdi and Larry Andrewes.

On behalf of the members of the team I would like to thank our coach, Mr. Green for the time he spent in training us and wish all of his future team, good luck.

SENIOR BOYS' BASKETBALL

by
Bill Hadley

For the second consecutive year the Senior Boys' Basketball team failed to gain a playoff berth. Losing a thrilling game on the final night of the season, the team missed the "top four" by one game. However, next year's team should do far better with a few of this year's members returning.

On behalf of the team I would like to thank Mr. Battagello for the time and untiring effort that he spent with us this past season.

GOLF TEAM

by

This year our golf team was not as successful as it has been in previous years. We regret to say that after seven successful championships, we relinquished the title of City Champions to the new Vincent Massey Collegiate. Our team members were Sandy Roland, Bill Hadley, Gord Caldwell, Sheldon Silverstein and myself. We would like to take this opportunity to thank Mr. Ward for the fine job he has done in sponsoring the team.

Although the soccer team did not retain the W.S.S.A. championship in Kennedy it still enjoyed a successful season and was in contention for the W.S.S.A. championship right to the end.

Our record of four wins, two ties and one loss entitled us to a play-off berth against Lowe. In this semi-final game Lowe managed to defeat us by a two to one score. This ended our hopes for keeping the W. S. S. A. championship but, although disappointed we had the pleasure of knowing that the only team that ever defeated us during the season went on to win the W.O.S.S.A. championship.

I would like to thank our coach Mr. Leonhardt and Mr. McGrahan on behalf of the soccer team and myself for their help during the season, without which I am sure the past season would not have been as successful as it was, and Mr. Thomson, the Forum and the student body for their support.

TENNIS

by
Bob Turner

Again this year, for the second year in a row, the tennis team captured two W.S.S.A. titles. Under the leadership of Mr. Ward, Barb Dinham and Chuck Zeilig were easy victors over a mixed-doubles team from Herman, while Bob Turner upset Ron Reiser from Kennedy to win the boys' singles title. A week after the Windsor finals Mr. Ward dragged himself out of bed in the middle of the night so that we could arrive in London on time Saturday morning. Although no W.O.S.S.A. titles were brought back both Kennedy entries made credible showings. Barb Dinham and Ron Reiser lost a close match in the finals; Bob Turner also lost out in the finals. The team spent an enjoyable day with Mr. Ward and his wife and we would like to thank Mr. Ward not only for his tennis hints but especially for escorting us to the W.O.S.S.A. tournament in London.

What a year!—34 new records—2 City Championships—a co-holder of the City Individual Championship (Senior) a co-holder of the City Individual Championship (Junior)—the City Diving Championship (Senior) — 2 swimmers chosen to swim for Canada against the U.S. in Chicago and *every* member of both Senior and Junior Teams reaching the finals of the City Championship against the largest entry to date —from 7 other schools. All that remains, as we go to press, is that diadem in the crown of glory — the W.O.S.S.A. Championship. We have neither the space nor the desire to dwell on our individual heroes—and there are many. (Their photographs and records will be found elsewhere in these pages). "Individuals" win events, "teams" win *championships*, and this, believe you me, is a TEAM.

We would like to thank our coach, Mr. McGrahan, whose quick wit, intense enthusiasm and complete faith in us made all our work (2 practices a day for 3 months) more than worth while; also our former coach, Mr. Eynon, who is now on the staff at the University of Western Ontario.

W.S.S.A., W.O.S.S.A. VOLLEYBALL CHAMPIONS

by
Bill Hadley

This year's Senior Boys' Volleyball team was most successful as it brought to Kennedy the first Boys' W.S.S.A. volleyball championship in the history of the school. The team lost only once and that was a close match against Lowe. Then the team won further honours in London by defeating the favoured London teams for the W.O.S.S.A. Championship.

On behalf of the team I would like to thank Mr. Hyland for the time and effort that he spent with us throughout the season.

CHEERLEADERS

by
Nancy Richardson, 10C

The cheerleaders had a very busy schedule this year cheering for football, basketball and numerous assemblies. There were six regulars and six substitutes. Practices were held each Monday and Wednesday at 3:30 p.m. The regulars were: Cathy Remsing, captain; Dianne Craig; Sandra Lavender; Valerie Kacmarczyk; Joanne Remsing and Nancy Richardson. The substitutes who cheered as school spirits at the football games were: Bonnie Brophy; Diane Ecclestone; Shirley Greenhow; Ingrid Jensen; Joy Love and Lonnie Stetch.

This year our cheerleaders attended a special Cheerleading Clinic held at Herman Collegiate Institute. Here they met cheerleaders from Windsor and surrounding districts and learned a few new techniques for new cheers and skits.

We would like to extend our thanks to the many supporters who came out to cheer our teams and especially to our devoted sponsor—Mr. Davidson.

THE SCHOOL SPIRIT CLUB

by
Susan Bailey, 13C

During 1960-61, the following officers were elected: Susan Bailey, president; Ron Reiser, vice-president; and Linda Richardson, secretary. We held our meetings every Monday in room 115, at 12:10 p.m., to decide the winners of the weekly slogan contests; who were awarded two free admissions to a game, to create effigies of opposing teams, and to arrange assemblies.

Many of this year's noon-hour dances and assemblies were sponsored by our club; the most important was Spirit Day on Friday, February 3rd, 1961, when all the student body wore blue and gold outfits, and their school colours to demonstrate their school spirit.

For the W. S. S. A. championship game, we built a huge golden 'K' to lead a parade of enthusiastic rooters; in addition, at half time, flares were lit, Assumption's effigy was burned, and all the football songs were sung.

A special "thank you" is extended to Mr. Girling and the Altiora Peto for the many posters they made for us.

BADMINTON

by
Bev Chittick

This year, the badminton club, under Mr. Ward, has enjoyed another successful season. Three of its players, Barb Dinham, Bev Chittick, and Bill Simon, entered the Michigan Open, the Western Ontario Junior at Guelph, and the All Ontario Junior at Niagara Falls, and from these tournaments, they brought back eight titles. Other members of the club, Mary Huth and Yves Calvar made a fine showing at the Lasky at Patton Park Tournaments in Detroit, with Mary Huth bringing back a consolation title. The club sincerely thanks their coach, Mr. Ward, for fine coaching and for accompanying the players to several tournaments.

GIRLS...

GIRLS' ATHLETIC ASSOCIATION

by

Dorothy Nelson

The G.A.A. enjoyed a successful year although the membership was not as great as it should have been. With the help of the representatives from all the classes, the Girls' Athletic Association sponsored two splash parties, a noon hour dance and joined with the B. A. A. in sponsoring a student-teacher basketball game, the interform swim meet and the annual Activity Night. Every sports activity was supervised and aided by the G.A.A. and the organization was well rewarded by fine teams and successful seasons.

The executive included Dorothy Nelson, Barb Dinham, Nancy Richardson, Edith Pollock and Jane Allison. Our sponsors were Mrs. Techko and Miss Cunningham, and the girls hope that they have been of some assistance.

Next year it is hoped that the G.A.A. will be an even stronger organization and will have greater support from both upper and lower school. The girls at Kennedy must realize how very important this group and all other athletic activities are in the school.

REFEREES

by

Barbara White

During the Interform Volleyball, and later, Basketball seasons, girls interested in refereeing may do so by handing their name into the gym office. Thank you to all the girls who participated and also to those on the school teams who refereed the championship games.

GIRLS' SENIOR BASKETBALL TEAM

by

Barbara White

The girls' basketball team would like to thank Miss Cunningham for her many hours of fine coaching. The players had a great deal of spirit and were able to win two of their games. They beat Massey and Forster. Since every player should be back next year, perhaps the team will have the experience which will bring them the championship.

After the final game Miss Cunningham treated the girls to a pizza party at Mario's. The girls had a lot of fun and hoped they would have the W.S.S.A. title next year.

NEW SPORTS FOR KENNEDY

by

Barbara White

Mrs. Techko and Miss Cunningham are hard at work planning an even larger sports program for Kennedy girls. Those girls interested in ping-pong, headed by Barb Dinham and Bev. Chittick, and also in water polo, have been asked to sign their names to the list on the bulletin board. The response has been quite good.

JUNIOR VOLLEYBALL

by

Cherryll Graves

The volleyball season this year was unsuccessful but we are very hopeful for the year of 1961. The volleyball team was well organized and worked together with great team-man-ship. Our coach, Miss Cunningham, worked with us a great deal and encouraged us in all of our games. We are looking forward to the Junior Volleyball Championship for 1961.

GIRLS' SENIOR VOLLEYBALL TEAM

by

Barb Dinham

This year our team came close to bringing the W. S. S. A. Volleyball Championship to Kennedy. However, we finished second in the league—the result of losing our final game to Commerce by the close scores of 15-13 and 15-11.

On behalf of the team I would like to thank Mrs. Techko for her fine coaching. We hope that next year we will be able to reward her with the championship.

GIRLS' SWIMMING TEAM

1960 was a very successful year for the Girls' Swimming Team.

They were fortunate to capture both the Senior and Junior Girls' Titles, to become the W.S.S.A. Girls' Champions. They were very pleased to be able to compete in London at the W.O.S.S.A. Meet.

The girls are greatly indebted to Mrs. Techko for her support and enthusiastic encouragement. The 1961 team is again under the leadership of Mrs. Techko.

Some of the outstanding individuals on the Junior Team are: Marguerite Smith, who captured the 1961 Individual Junior Crown and the W.S.S.A. Championship; Nancy Richardson, Diane Craig, and Marg Peacey, who with little effort grabbed the W.S.S.A. Junior Title.

They are now looking forward to capturing the W.O.S.S.A. Championship.

"FANCY FISH"

by

Barbara White

This year, for the first time at Kennedy, Sharron Semegen and Barb White collected some "fancy fish." These fish were a group of girls who swam what is termed synchronized swimming or water ballet. Among them were "Flamingo" Carol Deans, "Porpoise" Donna Miles, "Ballet Leg" Susan Thomas, "Kip" Lorraine Spidy, "Torpedo" Dorothy Piters, "Shark" Jean Mills, "Dolphin" Mary-Lou Green, "Fish-tail Porpoise" Marg Peacey, "Marlin" Marguerite Smith, "Propeller" Heather Whyte, "Sommersault" Lynn Ridley and "Submarine" Pat Stevens.

Who helped us when we needed a record or a pool? Mrs. N. Techko did. And we would like to thank her for her help, especially in keeping Mr. W. McGrahan and his fellow fish out of the pool!

GIRLS' SENIOR SWIMMING TEAM

by
Sue Cakebread

The senior swimming team won the W.S.S.A. Championship in 1960. Mrs. Techko, the coach, put in long hours with the team, drilling the members on turns, racing dives, and sprints. Times were posted and the girls worked continually to better them for several months. The practices paid off; the championship was theirs. Best of luck to the team of '61.

Opening more doors to opportunity

A university education is the key that opens doors to better employment opportunities and the chance to build a successful career.

Many students with ambition and outstanding ability are unable to attend university because of lack of sufficient funds. In 1955, the seven General Motors companies operating in Canada put a university education within reach of some of these students by setting up the General Motors Canadian Scholarship Programme.

Twenty five scholarships are awarded each year and, up to the present, 172 students have received awards ranging in value to $2,000. The choice of one of 14 universities and of faculty rests entirely with the students and their advisors. An equally important part of the GM Scholarship Programme is the allocation of funds to the universities themselves to help maintain and improve the quality of education.

General Motors, through its Scholarship Programme, helps many deserving students develop their capabilities to the full—thus preparing them for the important part they will play in Canada's future.

Applications for General Motors Scholarships should be directed to the Registrars of the following participating universities: *The University of Toronto; the University of Western Ontario, London; Queen's University, Kingston; the University of Montreal; the University of Manitoba, Winnipeg; the University of British Columbia, Vancouver; the University of Saskatchewan, Saskatoon; the University of Alberta, Edmonton; Dalhousie University, Halifax; the University of New Brunswick, Fredericton; Laval University, Quebec City; McGill University, Montreal; Memorial University, St. John's, Newfoundland; and McMaster University, Hamilton.*

preparation for the challenges and opportunities of the future

Ford of Canada encourages young people in their search for education.

Over the past seven years, 41 university scholarships, each for a four-year course at a recognized college or university in Canada, have been awarded to sons and daughters of Ford employees.

Ford of Canada helps support youth programs including the very successful 4-H Clubs. As well, teaching aids and educational motion pictures are made available to Canadian schools, and, in many communities, our dealers participate in High School driver education projects.

Ford of Canada is proud to be associated with many educational activities, because we believe that a sound education is the best preparation for the challenges and opportunities of the future.

HOW THE KENCOLL WAS PRINTED

by Richard Rosenthal, Editor

There is a great deal of work and time put together in this yearbook. Some of it is voluntary and done by the Kencoll Staff. This consists of collecting copy, typing, layout, editing, and proof-reading. However, the part that most of us is unaware of is the actual mechanical process of lithography. The pictures at the left represent some of the main steps in printing this yearbook.

1. The copy is set on an Intertype linecasting machine by a union operator, George Whiting.
2. Then the set lines are arranged according to the copy. Here Al McQuire, a journeyman compositor, makes up a page layout.
3. The galleys, as they are now called, are run through a proof press by an apprentice compositor, Steve Bianchi, and copies of each page; called proofs, are made.
4. After the proofs are "okayed" the page layout is printed on a matt finish paper and sent up to the art department. Here Dennis DeBacker is putting the appropriate pictures on the pages.
5. Ed Heisler, chief platemaker, is shown waiting for some plates to be made on the equipment in the background.
6. In the pressroom, the plate is placed on an offset press by Wes O'Grady in preparation for the actual printing.
7. Mickey Moore is getting the folder ready for the KENCOLL. Here it is assembled and trimmed.
8. The final finished copy of the 1961 KENCOLL is handed to me by Rita Morin.

So you see, printing a yearbook is not exactly simple. The complete process takes from three to five weeks and is very nerve-wracking and frustrating at times. However, the satisfied glow of accomplishment that I feel now, is well worth the effort.

Mine Eyes Are Dim . . . Proof Reader's Remarks

by Steve Bianchi, 8-5-S

As I lay here, in this quiet ward of the New York City Eye Hospital, awaiting the twenty-third operation on both my eyes since proof reading the Kennedy yearbook, a feeling of contentment has come over me. True, I can't see any more and my head keeps bobbing from side to side, but alas, it's over, and I am content.

Doctor Wyzcinski, Q.Q., E.T.Q., informs me that with a few more eye operations and six months of psychiatric care in Bellevue, I should be walking again. Why my legs ever went paralized from reading that yearbook, I'll never know. In all probability it was a result of running back and forth to the editor trying to get him to make up his mind on the spelling of the names in 10B, 12C, 12B and 11C, and who shot who in the rifle competitions.

Oh well, it's over now, and I must be careful not to get myself all worked up again like I did back at the shop when we were working on the yearbook. I don't know what got into me, why did my nerves give out on me like they did just when it was almost finished? It was certainly no reason for biting the foreman like I did or starting that big fire in the shipping room.

But all in all, things do work out for the best in the long run. Everyone was very nice to me when the ambulance came, they all waved goodbye as it took me hurriedly up the street and past the fire engines that were parked around the shop. I felt terrible about not waving back to them but it was very difficult to wave back, or wave at all with that straight jacket on. And the boss, yes, what a boss, he sent me a letter here in the hospital. A sweet letter it was; containing my pension papers and my unemployment insurance book. That's strange, I can't go on pension yet, I'm not even thirty years old. And why the unemployment insurance book, in another year or two I should be able to take another crack at the Kennedy yearbook? Oh, well, "the old order changeth" or was that in the Patterson book???? zzzzzznzznnn.
